

PRAM Edu - Smart Choice - Your Advantage

All-in-One Educational ERP you have been looking for...

Our Unique Features	PRAM Edu - ERP Software & Mobile App	Traditional ERPs
<div>Global Educational ERP Operations & Management Software</div> <div>Universal Mobile App</div>	<div>✓</div> <div>Unified educational platform for academics, operations, communication, teachers, student & parents services with real time sync technology between Educational ERP Operations & Management Software and Mobile App</div>	<div>✗</div> <div>Often built for isolated academic tasks; lacks service integration & no sync between systems & services</div>
<div>Recognitions</div>	<div>✓</div> <div>Recognized by DPIIT, Govt. of India and D-U-N-S, making it credible and trustworthy</div>	<div>⚠</div> <div>Most are unrecognized</div>
<div>Engagement Models including Lifetime-Free Access to complete ERP Software</div>	<div>✓</div> <div>Multiple business models, including a unique Lifetime-Free Access to complete ERP Software ideal for rural and budget-constrained institutions</div>	<div>✗</div> <div>Traditional annual or subscription-based ERP models often place a heavy financial burden on educational institutions—costs that are ultimately passed on to parents and students.</div>
<div>Best-in-class Data Security & OTP Access</div>	<div>✓</div> <div>Access to ERP & mobile app protected by OTP-based login, with strong user-level privilege management</div>	<div>⚠</div> <div>Basic password login OTP & layered access often missing</div>
<div>SoS Safety built-in for Students & Faculty</div>	<div>✓</div> <div>Built-in real-time SOS safety feature, designed to protect students and teachers during emergencies.</div>	<div>⚠</div> <div>Lack of critical safety features for students & faculty. This compromises real-time response in emergency situations</div>
<div>Multi-Branch Management + Access Control</div>	<div>✓</div> <div>Manage multiple branches from a single login; assign user privileges per branch easily</div>	<div>⚠</div> <div>Complex setup or no multi-branch capability + Additional License Expense</div>
<div>Access to Full Module Package with Real Time Sync Technology</div>	<div>✓</div> <div><div><div>• CRM</div><div>• Inquiry Management</div><div>• Admission Management</div><div>• Institute Operations & Management</div><div>• Fees Management</div><div>• Attendance & Leave Management</div><div>• Concern Management</div><div>• Inventory Management</div><div>• Library Management</div><div>• Hostel Management</div><div>• Vehicle Management</div><div>& so much more...</div></div></div>	<div>⚠</div> <div>Often modules are built in isolation and do not interface with each other; lacks service integration & no sync between modules & their services</div>
<div>Full Data Portability (Self-Serve)</div>	<div>✓</div> <div>Institutes can download all their data anytime directly from ERP — no dependency on PRAM Edu</div>	<div>⚠</div> <div>Requires requests or vendor support; may involve delays</div>
<div>Data Ownership, Security & Transparency</div>	<div>✓</div> <div>Our educational ERP software ensures complete data transparency and portability to educational institutions. They can download their entire data at any time — directly from our educational ERP software — to any local or cloud storage of their choice.</div>	<div>⚠</div> <div>Missing Data Ownership, Security & Transparency</div>
<div>3-Minute Institute Onboarding</div>	<div>✓</div> <div>Yes! Ultra-fast digital setup</div>	<div>⚠</div> <div>Usually requires days to activate ERP then setups for all stakeholders</div>
<div>Incentives to Educational Institutes</div>	<div>✓</div> <div>Institutes that choose Lifetime-Free access can earn monetary incentives from the revenue generated through optional premium services chosen by students and parents.</div>	<div>✗</div> <div>No such incentive-sharing model exists</div>
<div>Extremely Easy to Use</div>	<div>✓</div> <div>Intuitive interface; onboarding in minutes; no tech expertise required</div>	<div>⚠</div> <div>Often complex, training-dependent onboarding</div>
<div>Real-time Sync: ERP + Mobile App (Teachers, Parents, Students)</div>	<div>✓</div> <div>Seamless live sync of assignments, attendance, updates & communication</div>	<div>⚠</div> <div>Partial or delayed sync in most systems</div>
<div>Multilingual Support</div>	<div>✓</div> <div>Supports multiple international languages for diverse users</div>	<div>⚠</div> <div>Mostly English only or limited local language support</div>
<div>Inquiry (CRM) + Library + Facility + Hostel + Transport Management Modules</div>	<div>✓</div> <div>Available as default module</div>	<div>⚠</div> <div>Additional purchase required</div>
<div>Mobile-first Ecosystem with Web ERP</div>	<div>✓</div> <div>Fully functional apps for all stakeholders</div>	<div>⚠</div> <div>Some offer mobile app many are web-only</div>
<div>Role-Based Mobile App with Real-Time Integration</div>	<div>✓</div> <div>PRAM Edu Mobile App offers a powerful, role-based mobile application with real-time synchronization, allowing seamless access for students, parents, teachers, recruiters, and service providers — all from a single login. Users can switch roles in Mobile App effortlessly, ensuring a connected, personalized experience for every stakeholder in the education ecosystem.</div>	<div>✗</div> <div>No Role-Based Mobile App</div> <div>✗</div> <div>No Real-Time Integration</div>
<div>AI-Powered Career Counseling</div>	<div>✓</div> <div>Our Mobile App includes an AI built-in guidance system that helps students and parents explore career paths based on the student's interests, academic performance, and potential — offering personalized insights and support for informed decision-making.</div>	<div>⚠</div> <div>Additional purchase required</div>
<div>Integrated Learning Management System (LMS)</div>	<div>✓</div> <div>Our Mobile App comes with a fully integrated LMS that enables institutions to manage learning content, assign online tasks, track student progress, and deliver a seamless academic experience—all within the same platform.</div>	<div>⚠</div> <div>Additional purchase required</div>
<div>Online Class Scheduling & Content Sharing</div>	<div>✓</div> <div>Our Mobile App allows educators to schedule online classes and effortlessly share curated educational videos.</div>	<div>⚠</div> <div>Additional purchase required</div>
<div>Training Videos & User Onboarding Support</div>	<div>✓</div> <div>Our Product offers comprehensive training tutorials and step-by-step onboarding walkthroughs built directly into the platform, enabling users to quickly understand and use the system without external help or technical expertise.</div>	<div>⚠</div> <div>Traditional ERPs lack built-in support resources, such as training tutorials or usage walkthroughs</div>
<div>Digital ID Cards</div>	<div>✓</div> <div>Yes! For all students and faculty</div>	<div>⚠</div> <div>Additional purchase required</div>
<div>24x7 Customer Support</div>	<div>✓</div> <div>We provide round-the-clock, real-time customer support, ensuring that institutions receive immediate assistance whenever needed—eliminating delays and keeping daily operations running smoothly without disruption.</div>	<div>⚠</div> <div>Most vendors provide limited or delayed support, often through ticket-based systems with long response times.</div>
